

Prime Checking Qualification Calendar 2022

Your **Prime Checking** Account is a self-service, electronic-based account that rewards you with a competitive rate of interest! To earn the **Prime Checking** interest and ATM refunds, you simply need to meet **three** (3) easy qualifications each month:

1. Sign up to receive e-statements through our Online Banking.
2. Complete 12 Debit Card transactions that post and clear your account within the statement cycle.*
*Note: A merchant may not process your transaction the same day your card is swiped, even if it appears as "pending" in Online Banking. The transaction must post to your account for it to meet the Prime Checking qualifications.
3. Authorize **at least one (1)** direct deposit, ACH Debit (direct draft), **or** FAB&T Online Bill Payment to a third party (such as a utility bill) each statement cycle.

To earn the **Prime Checking** interest and ATM refunds, you must meet all three qualifications by 3:00PM CST of the last business day of the month. This is referred to as your **Qualification Date**. Transactions posted to your account after 3:00PM CST on the **Qualification Date** will count towards meeting the Prime Checking qualifications for the next month's statement cycle. The **Qualification Dates** are reflected in the calendar below by the red number with the red box around it.

Example: 31 = Qualification Date

Interest and ATM fee refunds, up to \$15.00 (if your account qualifies) will be automatically deposited into your account on the last business day of the month, usually late in the evening.
